Calendar Donation Fundraiser

Event: *This is a donation-based fundraising activity, NOT a raffle.*

1. Students will receive a calendar from the music program.
2. Students will seek out donations from family and friends.
3. Family and Friends will select which dates they want and donate that amount. For example, if a person selects July 2nd, they would donate \$2. That date now will no longer be available! The goal is to have a donation for each day of the calendar. Each calendar can potentially raise \$495.

Motivation: On top of raising funds to help support our music program as a whole, each student can add to their **profit-sharing account**. 10% of the money collected from your calendar will go towards your student's individual profit-sharing account.

What is Profit Sharing: Profit-sharing is an individual account kept by BMMA for each student. Many fundraising efforts that BMMA offers provides an opportunity for money to be put in the account. These funds can be used to help pay for certain fees, such as band camp, trips, uniforms and more.
